INTRODUCTION

This is version two of Model Standing Orders 2018 (England) updated on April 2022. Update to Model Standing Order 18 only.

HOW TO USE MODEL STANDING ORDERS

Standing orders are the written rules of a local council. Standing orders are essential to regulate the proceedings of a meeting. A council may also use standing orders to confirm or refer to various internal organisational and administrative arrangements. The standing orders of a council are not the same as the policies of a council but standing orders may refer to them.

Local councils operate within a wide statutory framework. NALC model standing orders incorporate and reference many statutory requirements to which councils are subject. It is not possible for the model standing orders to contain or reference all the statutory or legal requirements which apply to local councils. For example, it is not practical for model standing orders to document all obligations under data protection legislation. The statutory requirements to which a council is subject apply whether or not they are incorporated in a council's standing orders.

The model standing orders do not include model financial regulations. Financial regulations are standing orders to regulate and control the financial affairs and accounting procedures of a local council. The financial regulations, as opposed to the standing orders of a council, include most of the requirements relevant to the council's Responsible Financial Officer. Model financial regulations are available to councils in membership of NALC.

Drafting notes

Model standing orders that are in bold type contain legal and statutory requirements. It is recommended that councils adopt them without changing them or their meaning. Model standing orders not in bold are designed to help councils operate effectively but they do not contain statutory requirements so they may be adopted as drafted or amended to suit a council's needs. It is NALC's view that all model standing orders will generally be suitable for councils.

For convenience, the word "councillor" is used in model standing orders and, unless the context suggests otherwise, includes a non-councillor with or without voting rights.

A model standing order that includes brackets like this '()' requires information to be inserted by a council. A model standing order that includes brackets like this '[]' and the term 'OR' provides alternative options for a council to choose from when determining standing orders.

1. RULES OF DEBATE AT MEETINGS

- a Motions on the agenda shall be considered in the order that they appear unless the order is changed at the discretion of the chairman of the meeting.
- b A motion (including an amendment) shall not be progressed unless it has been moved and seconded.
- c A motion on the agenda that is not moved by its proposer may be treated by the chairman of the meeting as withdrawn.
- d If a motion (including an amendment) has been seconded, it may be withdrawn by the proposer only with the consent of the seconder and the meeting.
- e An amendment is a proposal to remove or add words to a motion. It shall not negate the motion.
- f If an amendment to the original motion is carried, the original motion (as amended) becomes the substantive motion upon which further amendment(s) may be moved.
- g An amendment shall not be considered unless early verbal notice of it is given at the meeting and, if requested by the chairman of the meeting, is expressed in writing to the chairman.
- h A councillor may move an amendment to his own motion if agreed by the meeting. If a motion has already been seconded, the amendment shall be with the consent of the seconder and the meeting.
- i If there is more than one amendment to an original or substantive motion, the amendments shall be moved in the order directed by the chairman of the meeting.
- j Subject to standing order 1(k), only one amendment shall be moved and debated at a time, the order of which shall be directed by the chairman of the meeting.
- k One or more amendments may be discussed together if the chairman of the meeting considers this expedient but each amendment shall be voted upon separately.
- l A councillor may not move more than one amendment to an original or substantive motion.
- m The mover of an amendment has no right of reply at the end of debate on it.
- n Where a series of amendments to an original motion are carried, the mover of the original motion shall have a right of reply either at the end of debate on the first amendment or at the very end of debate on the final substantive motion immediately before it is put to the vote.
- o Unless permitted by the chairman of the meeting, a councillor may speak once

in the debate on a motion except:

- i. to speak on an amendment moved by another councillor;
 - ii. to move or speak on another amendment if the motion has been amended since he last spoke;
 - iii. to make a point of order;
 - iv. to give a personal explanation; or
 - v. to exercise a right of reply.
- p During the debate on a motion, a councillor may interrupt only on a point of order or a personal explanation and the councillor who was interrupted shall stop speaking. A councillor raising a point of order shall identify the standing order which he considers has been breached or specify the other irregularity in the proceedings of the meeting he is concerned by.
- q A point of order shall be decided by the chairman of the meeting and his decision shall be final.
- r When a motion is under debate, no other motion shall be moved except:
- i. to amend the motion;
 - ii. to proceed to the next business;
 - iii. to adjourn the debate;
 - iv. to put the motion to a vote;
 - v. to ask a person to be no longer heard or to leave the meeting;
 - vi. to refer a motion to a committee or sub-committee for consideration;
 - vii. to exclude the public and press;
 - viii. to adjourn the meeting; or
 - ix. to suspend particular standing order(s) excepting those which reflect mandatory statutory or legal requirements.
- s Before an original or substantive motion is put to the vote, the chairman of the meeting shall be satisfied that the motion has been sufficiently debated and that the mover of the motion under debate has exercised or waived his right of reply.
- t Excluding motions moved under standing order 1(r), the contributions or speeches by a councillor shall relate only to the motion under discussion and shall not exceed three minutes without the consent of the chairman of the meeting.

2. DISORDERLY CONDUCT AT MEETINGS

- a No person shall obstruct the transaction of business at a meeting or behave offensively or improperly. If this standing order is ignored, the chairman of the meeting shall request such person(s) to moderate or improve their conduct.
- b If person(s) disregard the request of the chairman of the meeting to moderate or improve their conduct, any councillor or the chairman of the meeting may move that the person be no longer heard or be excluded from the meeting. The motion, if seconded, shall be put to the vote without discussion.
- c If a resolution made under standing order 2(b) is ignored, the chairman of the meeting may take further reasonable steps to restore order or to progress the meeting. This may include temporarily suspending or closing the meeting.
