### Subject Access Requests Policy (SAR)

1. **MUST:** On receipt of a subject access request, you must **forward** it immediately to the Hunts Grove Parish Clerk.
2. **MUST:** We must correctly **identify** whether a request has been made under the Data Protection legislation.
3. **MUST:** A member of staff, and as appropriate, councillor, who receives a request to locate and supply personal data relating to a SAR must make a full exhaustive **search** of the records to which they have access.
4. **MUST:** All the personal data that has been requested must be **provided** unless an exemption can be applied.
5. **MUST:** We must **respond** within one calendar month after accepting the request as valid.
6. **MUST:** Subject Access Requests must be undertaken **free of charge** to the requestor unless the legislation permits reasonable fees to be charged.
7. **MUST:** Councillors and managers must ensure that the staff they manage are **aware** of and follow this guidance.
8. **MUST:** Where a requestor is not satisfied with a response to a SAR, the council must manage this as a **complaint**.

### How must I do it?

1. Notify the Parish Clerk upon receipt of a request.
2. Hunts Grove Parish Council must ensure a request has been received in writing where a data subject is asking for sufficiently well-defined personal data held by the council relating to the data subject. The Council should clarify with the requestor what personal data they need. They must supply their address and valid evidence to prove their identity. The council accepts the following forms of identification (\* These documents must be dated in the past 12 months, +These documents must be dated in the past 3 months):

- Current UK/EEA Passport
  - UK Photocard Driving Licence (Full or Provisional)
  - Firearms Licence / Shotgun Certificate
  - EEA National Identity Card
  - Full UK Paper Driving Licence
  - State Benefits Entitlement Document\*
  - State Pension Entitlement Document\*
  - HMRC Tax Credit Document\*
  - Local Authority Benefit Document\*

  - Most recent council Tax Bill/Demand or Statement
  - Tenancy Agreement
  - Building Society Passbook which shows a transaction in the last 3 months and your address.
3. Depending on the degree to which personal data is organised and structured, you will need to search emails (including archived emails and those that have been deleted but are still recoverable), Word documents, spreadsheets, databases, systems, removable media (for example, memory sticks, floppy disks, CDs), tape recordings, paper records in relevant filing systems etc. which your area is responsible for or owns.
  4. You must not withhold personal data because you believe it will be misunderstood; instead, you should provide an explanation with the personal data. You must provide the personal data in an "intelligible form", which includes giving an explanation of any codes, acronyms and complex terms. The personal data must be supplied in a permanent form except where the person agrees or where it is impossible or would involve undue effort. You may be able to agree with the requester that they will view the personal data on screen or inspect files on our premises. You must redact any exempt personal data from the released documents and explain why that personal data is being withheld.
  5. Make this clear on forms and on the council website
  6. A database is maintained allowing the council to report on the volume of requests and compliance against the statutory timescale.
  7. When responding to a complaint, we must advise the requestor that they may complain to the Information Commissioners Office ("ICO") if they remain unhappy with the outcome.

<sup>1</sup> “Binding Corporate Rules” is a global data protection policy covering the international transfer of personal data out of the European Union. It requires approval of a data protection regulator in the European Union. In most cases this will be the relevant regulator where an organisation's headquarters is located. In the UK, the relevant regulator is the Information Commissioner's Office.

<sup>2</sup> “EU model clauses” are clauses approved by the European Union which govern the international transfer of personal data. The clauses can be between two data controllers or a data controller and a data processor.

[Examples include where one of the exemptions under the data protection legislation applies. Other exemptions include where the personal data identifies another living individual or relates to negotiations with the data subject. Your data protection officer will be able to advise if a relevant exemption applies and if the council is going to rely on the exemption to withhold or redact the data disclosed to the individual, then in this section of the letter the council should set out the reason why some of the data has been excluded.]
