HUNTS GROVE UPDATE JANUARY 2026

Dear residents,

We are resuming works associated with the new A38 junction at Hunts Grove, as advised in our December update.

Over the next week, this includes adding cats eyes to the A38 and removing temporary edge protection on Bristol Road where it crosses over the A38. This will necessitate a one-night closure as follows:

Night closure

- 11pm on 12 January - 5am on 13 January
- A38 in both directions between Cross Keys and Waterwells roundabouts
- Bristol Road slip road and flyover (currently open one-way from Quedgeley)

Diversion routes throughout these works will be clearly signed. We kindly ask that drivers follow these directions and refrain from using smaller roads. Pound Lane and Church Lane in Hardwicke will have manned gates to restrict access to residents only.

Businesses at Quedgeley West Business Park are being notified direct about escort arrangements.

Any questions, concerns or suggestions should be directed to GCC via: [FixMyStreet](#); dangerous driving should be reported to the police by phoning 101.

We recognise that these works may cause some inconvenience and thank you for your ongoing cooperation.

CREST NICHOLSON
