HUNTS GROVE UPDATE FEBRUARY 2026

HUNTS GROVE
GLOUCESTERSHIRE

Dear residents,

In close consultation with GCC, we are undertaking further works to improve traffic safety along the A38 at Hunts Grove.

These include:

- Repair of damage caused by vehicle crashes at Cross Keys roundabout last year, including replacement of pedestrian safety fencing and lights
- Additional drainage at the base of some signs
- White lining
- Enlargement of some speed signs

Dates

The works will run from 2 - 27 March.

This will mostly be undertaken during the day, except for some night work which is scheduled for 8pm – 6am for each of 16 – 20 March.

Lane closure

Throughout, one lane will be closed to allow the safe execution of these works but the A38 will otherwise operate as normal. Access to Quedgeley West Business Park and pedestrian/cycle routes will remain open.

Any questions, concerns or suggestions should be directed to GCC via: [FixMyStreet](#); dangerous driving should be reported to the police by phoning 101.

We recognise that these works may cause some disruption and thank you for your ongoing cooperation.

CREST NICHOLSON
